Career Objective: Aspiring software developer with 5 months of professional experience in building RESTful APIs, integrating third-party services, and contributing to live projects. Skilled in backend development Spring Boot, with hands-on experience in API integration for platforms like Gmail, Outlook, Google Sheets, and Google Calendar. Eager to apply my backend development skills and further enhance my expertise in building scalable and efficient server-side solutions.

Education

Acropolis Institute of Technology and Research

BTech in Computer Science and Technology; CGPA: 7.51

Aug. 2020 - June 2024

Indore, M.P

St. Joseph Senior Secondary School

Higher Secondary Examination; Percentage: 80.0%

May 2020

Narsinghgarh,
M.P.

St. Joseph Senior Secondary School

Senior Secondary Examination; Percentage: 86.6%

June 2018

Narsinghgarh,
M.P.

Technical Skills

Programing Languages: Java, c, c++

Frameworks: SpringBoot

Database Management : MySQL

ORM Tools : Hibernate

Developer Tools: Git, Postman, Visual Studio Code,
Docker.

Professional Experience

[Visionwaves Technologies Private Limited]

Trainee Software Engineer [5th August – 31st December]

Developed RESTful APIs with Spring Boot for seamless integration with platforms like Gmail, Outlook, Google Sheets using OAuth2.0
Contributed to live projects by creating APIs for data management and backend functionality.
Gained hands-on experience in end-to-end software development and real-world deployments.

Projects

1. API INTIGRATION (Live project)

Integrated different connectors like Gmail, Outlook, Google Calendar using Spring Boot Implemented
OAuth 2.0 for secure access token generation and API authentication.
Designed and tested HTTP request workflows for retrieving, updating, and managing user data.

2. SITE ROLLOUT (Live project)

Created APIs to generate and manage polygons based on latitude and longitude for location-based functionalities.
Implemented a feature to search polygons using latitude and longitude inputs.
Configured custom maps and forms using the organization's map and form builder to streamline the deployment process.

Extracurricular Activities

1st prize in trekking event at Janapav hills organized by Rotaract Club.
